

Parents Evening – Tuesday 11th February 2025

We will be holding our yearly parent's evening on Tuesday 11th February 2025 from 6.20pm – 8pm.

We will be doing 10 minute booked appointment slots.

In the next couple of weeks on the doors to your child's rooms we will pop up each staff members appointment sheet, so please help yourself to booking one in with your child's keyperson.

Parent's evenings are a great chance to talk about your child's development and to discuss anything you wish to with your child's keyworker, and whilst we understand it might not always be possible we do encourage you not to bring your child with you, as we always try not to have those conversations with the children around.

We will also have refreshments on offer also!

Bluebell Barn's Woodwork Workshop

Last year our lovely Teresa & Zoe went on a day course to teach woodworking, and we are really excited to be bringing this into our curriculum.

We are currently in the middle of building our workshop in our outdoor classroom, and we should have this finished in the next couple of weeks which we will share photos with you all. This will be for the elder two year old's & Cherries to carry out and we can't wait to get this up and running!

Hartbeeps!

Kim, from Hartbeeps has slightly changed the days that she will be coming as of this year.

Starting as of next week Hartbeeps will be every week but one week a Wednesday & one week a Friday. Kim will be starting a Wednesday with us next week!

Forest School

We have made a really exciting link with Shinewater primary school and they have very kindly offered for us to use their amazing outdoor forest school space once a term, led by their wonderful forest school teacher! This will be for the Cherrie's children & we will be sending out more information as to how this will work in the next couple of weeks!

Marshmallow & Muffin

As you are all aware we have our lovely Rabbits who are now five months old, and they have settled in wonderfully! We had initially thought we had two female rabbits however, it turns out Muffin (the chocolate brown rabbit) is a male! Therefore, for the last couple of months we have had to keep them separate until we could be sure Marshmallow wasn't pregnant & so we could get Muffin castrated. Muffin has his procedure being done this week and we then have to keep them separated for a further 6 weeks. Once Muffin has had his procedure done, if any families would like to take them home for the weekend or for a few days please let us know and we can arrange for them to stay with you for the weekend! 😊
