May 2025

😊 Exciting Changes 😊

Our amazing Steven has worked so hard bringing the sensory garden vision to life – We will be finalising all the materials and resources by the end of the month! Finished off with a Grande Ribbon reveal with the children at the end of the month!

This month we will also be adding a lending library to our front entrance for both parents and children to swap books in and out as they please 😊 So any donations of books for this would be welcomed!

This Month's Article

Staff changes

Our lovely Phoebe and Rhiane are very nearly finished on their level 3 qualifications and will be done by the end of this month! We're so proud of all the dedication and hard work they've put into their training over the last year 😊

We have also had Hayley start with us as a float role between the rooms Tuesday – Friday. I know you will all join us in welcoming Hayley! 😊

Please find attached our updated Parent Handbook!

Dates for the Diary

Monday 16th June Fathers & Grandad Day afternoon Tea

We would like to welcome loved ones in each of the rooms to join us for an afternoon brunch celebrating the children loved ones! 4pm until 5pm 😊 Please let us know if you can make it!

Family fun day – Saturday 12th July!

Please join us for our summer fayre with; stalls, games, bouncy castle and refreshments for all! 😊 We will be raising money for – children with cancer fund.

School Leaver's parents evening - Tuesday 15th July! Parents of school leavers will be invited in to go over updated school transition documents with their child's key person. Refreshments will be provided.

School leavers picnic – Wednesday 16th July! We'd love to invite parents of our fabulous school leavers to join us for hopefully weather providing a picnic in the park 😊 We have booked the large hall if the weather fails us! We want to celebrate all the children that are going onto their next chapter!

Extra-curricular activities

Our children have been loving our French lessons taught by the wonderful Sabrina! These lessons are every Tuesday and always fun and exciting.

Our music and movement lessons are every Tuesday which are children are really benefiting from! They love to move their bodies and dance to the tunes. These are taught by the amazing Frances.

We are currently on the hunt for some local land to do forest school with the children – if anyone knows anyone that is local and willing to let us use their space, please contact Charlotte and Lydia.

Don't forget

We are doing stay and play sessions in all rooms – if you would like to attend, please speak to a member of the team 😊

30 hours funding codes

Parents that are claiming 30 hours funding are responsible for re-applying each term for their funding code.

Charlotte, Lydia and all the team at Bluebell Wood 😊
